*Receive 5% Annual Tuition Discount if paid in full by July 15

Note All payments are non-refundable.

STUDENT ACHIEVEMENT

Bright Meadow opened in 2003 and, though we are not supported by local churches or the state, our goal is to provide a fun & attractive learning environment while maintaining the high standards of Private Education. We consider our work personal ministries & are honored to join you in guiding your children to develop a love for God, positive character traits, orderliness, social skills, respectfulness & responsibility. Our heart is for them to grow in self-esteem & a love for learning!

EDUCATIONAL LAUNCH

Bright Meadow kids get a jump-start to elementary success! In our semi-structured classes, most students gain a mastery of basic math, phonics & early reading! We receive positive compliments from parents, WEE & WPE teachers as most students perform above average at Kindergarten Registration & maintain advanced skills through elementary years!

- * **Integrated Phonics** Multi-Sensory Kinesthetic Curriculum. Animal characters & body actions lock-in sounds. Provides foundation for early reading & advanced skills before Kindergarten. Integrates Science, Social Studies, Geography, & Crafts!
- * **Math** Progressive basic preschool to advanced instruction up to the K-4 level. See Class Levels.
- * **Brain Gym Educational Kinesiology** Exercises "switch-on" brain mechanisms targeting certain learning skills for academics & behavior!
- * **Handwriting** Perceptual-Motor Curriculum with traditional & progressive instruction including fine motor activities, pencil grip, posture, & more!
- * **Bible** Non-Denominational Bible Stories teaching about God's love, Jesus, forgiveness & obedience!
- * **Spanish Intro** Vocabulary, colors & numbers!

STUDENT READINESS

We've served most children's developmental & academic needs for over 15 years. A more play-oriented preschool may be suitable for children not yet ready for our program.

Ready Points As we teach & train students socially & academically, upon enrollment students should be:

- * Receptive to instruction and guidance.
- * Receptive to re-direction when needed.
- * Able to establish eye-contact when speaking.
- * Able to verbally express wants and needs.
- * Be past oral fixation stage (things in their mouth).
- * Be free from aggression such as hitting, biting, etc.

CLASS LEVELS

Lessons are taught at the higher level in combined-age classes. Older students gain self-esteem being models for younger ones & continue progressing to higher achievement. Younger students are exposed to challenging work & have opportunity to advance more quickly. Seat Work is taught to each student individually at their developmental level. All classes focus on letter names and phonics sounds.

K-4 & Advanced Pre-K Kindergarten level is taught at readiness. Word building, vowels, consonant blends, sight words, word families, syllables, reading, literature, sentence structure, writing, punctuation, 10-frame, graphing, simple adding & subtracting, zero concept, quantities, rote counting to 100, solid shapes, solar system, continents, U.S. states, direction, & more!

Pre-K & Intermediate Preschool Pre-K level is taught at readiness. Word building, vowels, sight words, word families, reading, writing, 10-frame, rote counting to 50, quantities, patterning, basic shapes & more!

Preschool Essentials Phonics sounds, letter names, writing basics, numbers to 10, positions, opposites, colors, calendar, weather, basic shapes, class rules, social skills, & more!

SECURITY ENTRY SYSTEM

Only enrolled families receive entry cards to our facility. Your child's safety is of utmost concern!

- 10:30 Gross Motor Play, Music & Movement
- 11:00 Circle Time: Spanish, Story Time, Songs
Bookmobile Visits
- 11:30 Folders, Behavior Chart, Clean up
- 11:45 School Closes

PRESCHOOL IMPACT

"...Fox and Geddes note that experiences in our first five years of life, in part due to the rate at which our brains grow, have lifelong impacts. ...

They cite a 2014 UK study showing students who attended two to three years of preschool achieved higher overall exam scores, better grades in English and math, ... and according to international comparative tests (PISA, PIRLS & TIMMS), 'children with at least two years of preschool achieve much higher scores at age 15 than those who attend no preschool or only one year.'" BRIGHT MEADOW BEGINNINGS

With two of my four children having special-needs years ago, I acquired experience home schooling four times into their teen years and volunteering at a Montessori school. I discovered methods targeting learning styles, multi-sensory curriculum, neuro-developmental approaches including Brain Gym, & old-fashioned traditional teaching. While also having a creative flare, enjoying drama, pantomime, guitar, singing, art, & teaching VBS, I was able to blend a lot of fun into teaching! As a result, Bright Meadow Christian Preschool was born in 2003!

My heart and personal ministry is to serve & meet the needs of children & families in our community! Training & experience in leading church home groups for Parenting & Child Rearing enable me to also offer support to parents in their efforts, challenges & decisions regarding their children in various areas.

I'm thankful to my four children who have grown here & worked with me over the years. I could not enjoy the success of these ministries without the love & support of Nick, Janna, Tim & Bethany!

I'm also grateful for the dedicated teachers who have loved & taught our students and have shared my vision. Special appreciation & thanks go to Ashley St.Onge, who has been by my side over 10 years, Kaley Saffian, Melissa Garske, Stephanie VegaBravo, Carrie Tapley, Carol Allen, & Christina Adler!
